

Global Trends in Clean Energy & Electric Mobility – State of the Industry

– Keynote by Michael Liebreich, Bloomberg New Energy Finance –

Wednesday, 10 May 2017, 14:30-17:00

Kalkscheune, Johannisstraße 2, 10117 Berlin

Michael Liebreich is the founder of Bloomberg New Energy Finance and an expert on energy and electromobility – with a global perspective. At our event he will give us an update on the „New Energy Outlook“, the flagship product of Bloomberg New Energy Finance. Liebreich will comment on the global developments in renewable energies, electric mobility, and their economic fundamentals. As well he will talk on industry trends in Germany and Europe in the global context.
